^^First EMI start Date

EMI is scheduled either on 1st, 5th or 10th of every month as per customer request. The first EMI cycle is dependent on the Loan disbursement date. Please check the EMI due date as mentioned in the Loan agreement and in KFS for further clarity.

^^Broken Period Interest (BPI)

Broken Period Interest refers to the interest charged for the period between your disbursement date and the start of first EMI Cycle Period.

Example:

Date of Disbursement - 25th April 2025

First EMI Date - 5th June 2025 (First EMI Cycle period - 5th May 2025 to 4th June 2025)

Since the loan was disbursed on 25th April, the interim period from 25th April to 5th May (9 Days) is considered as the Broken Period. Interest for these 9 days is calculated at the contracted ROI which is termed as Broken Period Interest.

Note: Although this interest becomes due on 5th May, it is collected on the disbursement date (i.e. 25th April) by deducting it from the loan/disbursement amount. To ensure fairness, the corresponding interest benefit for the advance collection is given by reducing the Broken period interest amount to that extent at contracted ROI, so that no excess interest is charged to the customer.

BPI for Tranche wise disbursement is calculated on the net disbursed amount.

** The Lender may deduct upfront Broken Period Interest S(BPI) amount from the disbursement amount.
